Councillors stated that Blackrod had not asked for these signs and it was a matter of record that the Town Council had not been consulted with and did not want the proposed signs. The matter is ongoing.

The Town Clerk provided confirmation from Bolton Council that following enquiries in response to an item posted on Social Media, the dropped kerb scheme is for pedestrian crossing points and not for vehicle access to driveways. Contrary to social media reports, Blackrod will currently only receive two addresses of dropped kerbs namely, Nightingale Road and Whitehall Lane.
